♥ ELFIKI® ☆

From the toy in the hands of the child begins to build a worldview. The beautiful toy develops taste and forms aesthetic preferences, interesting and original entertains and stimulates imagination.

Elfiki toys are beautiful, interesting, educational and safe. Made of natural wood and eco-friendly materials, which corresponds to the philosophy of environmental protection. So parents in a playful way can unobtrusively teach children to respect nature. The helpers in this study will be fairy-tale heroes: elves Puffy and Aili, and their friends the bird Pipo, the deer Ruby and the owl Mia.

The heroes of the Elfiki brand will become the child's best friends, with whom it will be fun and interesting to play, boldly fantasize and definitely grow in harmony with the world.
